## General Meeting Information

**1. Regulations:** The competition will be conducted according to the regulations, the legal system, the anti-doping order and the competition licensing regulations of the DSV. Participants are members of one of the FINA associated federation or an affiliated association, as well as members of associations that belong to a DSV affiliated national association. The competition is also open to all foreign members of clubs or teams as far as their national federations are FINA members and are entitled to compete. Handicap swimmers with the corresponding proof of classification must also use the competition regulations of the German Handicapped Sports (DBS). According to the current WB, 8 to 10 year old swimmers are allowed to start a maximum of 6 times a day (youth protection). Incoming entries that do not comply with this paragraph will automatically be cancelled. The entry fee remains with the organiser. With the submission of the entry form for the event, the clubs and athletes accept the conditions!

**2. Sports Health/License:** When entering swimmers for this competition the club has to prove that swimmers are healthy. Without this proof entries must be rejected by the organizing club. The reporting club has to assure that the registered swimmers can prove their sport health. The swimmers are registered in the license register of the DSV and have paid the annual license (does not apply to child-friendly competitions WB). If these insurance policies are not available, the notifications will be rejected by the host.

### 3. Location of competition:

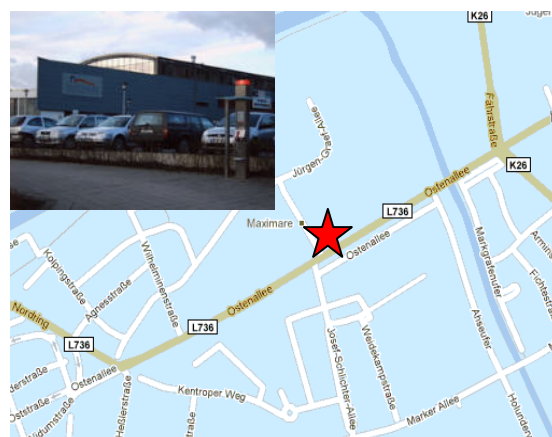

The venue is the adventure spa "MAXIMARE" in east of Hamm, Jürgen-Graef-Allee 2, 59065 Hamm. The competition pool is 50 m long, 8 lanes are separated by wave killer lines. The water temperature is about 27 ° C. It is carried out electronic timing (Colorado Time Systems).

**The start takes place after the one - start - rule.**

### 4. Registration:

Registrations must be sent by email as a file (DSV standard) or via E-Mail. In addition, the reports can be submitted on official entry lists (DSV form 102) together with the registration form (DSV form 101), or the enclosed registration forms.
